ITEM A.126.14.10.14 (originally A.126.30.10.14)**COUNCIL LAND: PROPOSED APPROVAL TO RENT OUT LAMP POST FOR STREET POLE ADVERTISING USE
(7/3/2/3/2)**

RESOLVED A.126.14.10.14 -

THAT the application dated 20 January 2013 received from Mr Dumisani Maluleke acting on behalf of the Mengisi Trading for approval to rent out lamp post for street advertising use be approved, subject to the following conditions: -

1. The intention to rent out lamp post for street pole advertising use be advertised in a local newspaper for comments and objections, if any.
2. Approval of the relevant Roads Agency be first acquired if signs are visible from National roads, Provincial and/or District roads.

3. The municipality's approval to rent out lamp post for street pole advertising use be not implemented if the relevant Roads Agency has not approved of the renting out of lamp post for street pole advertising use along the roads which is part of its competency.
4. The specific proposed locality of each sign must first be submitted to Executive Committee for approval before administration grants permission for renting out lamp post for street pole advertising use thereof.
5. The provisions of the Building By-Laws, Chapter xii will be enforced by the Department Development Planning.
6. A professional property valuator be appointed to determine a market rental amount for street pole advertising use.
7. The rental shall be calculated by Chief Financial Officer based on market related rental per m² and it be subject to annual escalation on 1 July of each year at a rate of 10%,
8. The period of lease shall be one (1) year with an option to renew it, subject to further Council approval.
9. Billboards cannot be permitted where electricity overhead lines are present.
10. Council's standard agreement for renting out lamp post for street pole advertising use shall be made and entered into by and between Makhado Local Municipality and Mr Dumisani Maluleke on behalf of the Mengisi Trading.
11. The applicant be informed in terms of the provisions of item 17(t) read with item 18(4) of the Makhado Local Municipality Immovable Land Disposal Policy that a request in the above regard cannot be processed unless first confirmed in writing that that he/she will bear all costs relative to the advertisements and valuation.
12. The structure housing the advertising shall meet all safe structural and installation requirements as in terms of the Occupational Health and Safety Act and its Regulations and this condition must be included in the agreement to be concluded with the applicant.

ITEM A.146.14.10.14 (originally A.146.30.10.14)**ANNUAL TOURISM EXHIBITION: PARTICIPATION IN THE SANGANAI TOURISM SHOW: ZIMBABWE (HARARE)
(12/3/2/2)****REMARK:**

When this matter was considered, Cllr N F Chililo proposed, duly seconded by Cllr R Ludere that because Director Development Planning and the LED Manager were participating in the Sanganai Tourism Show in Zimbabwe, there was no need for the Tourism and Marketing Officer and the Tourism Intern to also attend the mentioned show. The proposal was accepted and recorded accordingly as Council's Resolution.

RESOLVED A.146.14.10.14 –

1. THAT due to the time constraint in this regard, the Executive Committee approved that the invitation from Zimbabwe Tourism Authority attached as Annexure A to the report in this regard be accepted and that participation be approved, subject to the following conditions:

- 1.1. Permission be granted for the Mayor, Portfolio Head Development Planning, the Municipal Manager, Director Development Planning, LED Manager, the Communications Manager, the PA of the Mayor, (including the Driver of the Municipal minibus, Mr Muthambi) and the Driver to the Mayor to attend the Trade Fair in Zimbabwe from 16 to 18 October 2014, excluding travelling time.
- 1.2. Travel and accommodation for all the delegates be paid, including the driver of the municipal minibus, but excluding possible other local exhibitors who must carry their own expenses.
- 1.3. Permission be granted to assist with transport (the municipal micro-bus) for possible other local exhibitors from within Makhado Municipality who may be attending the show as part of the delegates coordinated by Vhembe District Municipality: Provided such exhibitors arrange for their own insurance coverage for loss or damage suffered in the case of any incident related direct or indirectly to the use of Municipality's transport: Provided further that Council be indemnified against any claims for whatever reason that may be received from such exhibitors: Provided further that only an authorized Municipal Officer may drive the Municipal vehicle.
- 1.4. The approval hereby granted must be submitted to the Office of the Premier, Republic of South Africa Embassy in Zimbabwe, Department of International Relations and the MEC for Co-operative Governance, Human Settlements and Traditional Affairs for their confirmation before it can be implemented.
- 1.5. That the expenditure for the Zimbabwe 2014 Exhibition may not exceed R100 000,00.

(DDP)

2. THAT the action of the Executive Committee to accept the invitation from Zimbabwe Tourism Authority, in view of the time line which is 14 to 19 October 2014, be ratified by Council.

ITEM A.147.14.10.14 (originally A.147.30.10.14)**COUNCIL LAND: PROPOSED SALE OF ERF 1178, HA-TSHIKOTA (VLEYFONTEIN) TOWNSHIP****(E.1178)**

RESOLVED A.147.14.10.14 –

THAT the application for purchase of erf 1178, Ha-Tshikota (Vleyfontein) Township for the sole purpose of establishing a General Dealer type of business should be approved, subject to the following conditions: -

1. In terms of the provisions of section 79(18) of the Local Government Ordinance, 1939 (Ordinance 17 of 1939) as amended the intention to sell erf 1178, Ha-Tshikota (Vleyfontein) Township be advertised in a local newspaper for comments and objections if any.
2. Erf 1178, Ha-Tshikota (Vleyfontein) Township be sold at a market related price performed by a registered professional valuer which will serve as price for the property.
3. The developer submits a development proposal for consideration.
4. The property be developed within three (3) years from the date of signing the Deed of Sale, provided that Council may allow an extension of a further two (2) years.
5. In the event that the developer failed to complete the development as required under paragraph 4 above, the property revert back to Council without compensation by the Municipality to the developer for any improvements on the property.
6. A standard Deed of Sale agreement be made and entered into by and between Makhado Local Municipality and Mr M. Mukwevho.
7. The applicant be informed in terms of the provisions of item 17(t) read with item 18(4) of the Makhado Local Municipality Immovable Disposal Policy that a request in the above regard cannot be processed unless first confirmed in writing that he/she will bear all costs relative to the advertisements and valuation.
8. The approval is further subject to the following conditions:
 - a. **Electricity:** Erf 1178, Ha-Tshikota Township falls in the ESKOM area of electricity distribution.
 - b. **Water:** The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about water supply capacity.
 - c. **Sewer:** The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about sewer supply capacity.
 - d. **Property Rates:** All property rates due to Municipality is payable from date of property registration in the name of applicant/purchaser.

ITEM A.148.14.10.14 (originally A.148.30.10.14)**COUNCIL LAND: PROPOSED SALE OF ERF 786, VUWANI, EXTENSION 1 TOWNSHIP
(7/4/1/3 & 7/3/2/1)**

RESOLVED A.148.14.10.14 –

THAT the proposed sale of erf 786, Vuwani Extension 1 Township for purpose of establishing an Early Child Development Centre that was received from Mr Munarini Thanyani be considered and if approved, it be subject to the following conditions:

1. In terms of the provisions of section 79(18) of the Local Government Ordinance, 1939 (Ordinance 17 of 1939) as amended the intention to sell the Municipal land be advertised in a local newspaper for comments and objections if any.
2. Erf 786, Vuwani Extension 1 Township be sold at a market related purchase price endorsed in the Makhado Local Municipality general valuation roll for the financial years 2014-2018 which will serve as the purchase price for the property.
3. The developer submits a development proposal for consideration.
4. The property be developed within three (3) years from the date of signing the Deed of Sale, provided that Council may allow an extension of a further (2) years.
5. In the event that the developer failed to complete the development as required under paragraph 2 above, the property shall revert back to Council without compensation by the Municipality to the developer for any improvements on the property.
6. The standard conditions for sale of Municipal land will further apply.
7. The applicant be informed in terms of the provisions of item 17(t) read with item 18(4) of the Makhado Local Municipality Immovable Land Disposal Policy that a request in the above regard cannot be processed unless first confirmed in writing that he/she will bear all costs relative to the advertisements and valuation.
8. The applicant be advised to apply for special use permit either into institution, place of worship, place of primary instruction and/or education.
9. The approval is further subject to the following conditions:
 - 9.1 **Electricity**: Erf 786, Vuwani, Extension 1 Township falls in the ESKOM area of electricity distribution.
 - 9.2 **Water**: The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about water supply capacity.
 - 9.3 **Sewer**: The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about sewer capacity.
 - 9.4 **Property Rates**: The landowner must pay all property rates due to the Municipality with effect of the date of registration of the property in his name.

ITEM A.149.14.10.14 (originally A.149.30.10.14)**TOWN PLANNING AND CONTROL: PERMANENT CLOSURE: PUBLIC OPEN SPACE: ERF 1640 FOR THE PURPOSE OF “PLACE OF PUBLIC WORSHIP”: LOUIS TRICHARDT EXTENSION 1 TOWNSHIP (E 1640 & 7/3/2/1)**

RESOLVED A.149.14.10.14 –

1. THAT Erf 1640 situated at Louis Trichardt Extension 1 be permanently closed for the purpose of establishing “Place of Public Worship” as per application submitted by Agape Christian Centre. (DDP)
2. THAT the applicant be informed about the Council decision and the conditions as stated under Council Resolution **A.18.28.03.13** are still applicable, and must be adhered to. (DDP)
3. THAT the objector who was present in the meeting be informed about the Council decision. (DDP)
4. THAT the applicant must rezone the property in order to accommodate the intended land use and consent from the Department of Limpopo Economic Development, Environment and Tourism must be obtained prior to the purchase of the property and be submitted together with a rezoning application. (DDP)
5. THAT the Office of the Surveyor General be informed if necessary. (DDP)
6. THAT the approval is further subject to the following conditions:
 - 6.1 **Electricity:** Erf 1640, Louis Trichardt has **NO** existing electricity supply capacity. If the intention of the developer is to consume electricity on the stand, supply would be subject to-
 - (a) Overall availability of capacity in the Municipality’s electricity supply scheme
 - (b) A fully motivated written application by the client which will be submitted to Senior Management for their consideration
 - (c) Only a maximum of 50 kVA will be considered according to present status of the electricity supply scheme

The client is further obliged to comply with the following conditions:

 - i. Application for electricity supply must be done by a professional electrical engineer, who must also do the design thereof and supervise all installation work
 - ii. All installations must comply with the Electrical Installations Regulations promulgated under the Occupational Health and Safety Act, 1993
 - iii. Only a registered 3 phase installation electrician may be permitted to install, test and certify the installation work, which must be submitted to Municipality

- iv. Actual costs plus an electrical engineering contribution proportional to the additional demand on the electricity supply scheme will be payable by the client upfront
- v. Before commencement of any work the electrical contractor must register with the municipality by completing an Annexure 4.
- vi. There is an existing Mini Substation on the stand which is supplying the surrounding stands with electricity. If it is necessary to relocate the Mini Sub the developer will have to pay the actual costs to do so in advance.

6.2 **Water:** The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about water supply capacity.

6.3 **Sewer:** The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about sewer supply capacity.

6.4 **Property Rates:** The applicant must pay all property rates due to the Municipality with effect of date of registration in the name of the purchaser.

ITEM B.76.21.08.14

TOWN-PLANNING AND CONTROL: EXTENSION OF SPECIAL CONSENT: LIMITED OVERNIGHT ACCOMMODATION ON ERF 3, LOUIS TRICHARDT TOWNSHIP (E3 & 15/3/8)

RESOLVED B.76.21.08.14 -

THAT the request received from Mr. A.H Grobbelaar, for extension of the special consent to utilise erf 3, Louis Trichardt Township for the purpose of Limited Overnight Accommodation be disapproved because of the following reason:

According to the land use scheme in operation (Makhado Land Use Scheme, 2009) a Limited Overnight Accommodation is not a primary and no longer a secondary right in a "Residential 1" zoned erf, *therefore the applicant is advised to rezone the application property from "Residential 1" to "Residential 2" with a Written Consent application for the purpose of a "Guesthouse" within a period of six (6) months from the date of this letter.*

ITEM B.77.21.08.14

TOWN-PLANNING: PROPOSED WRITTEN CONSENT USE: ERF 363, ELTIVILLAS EXTENSION 1 TOWNSHIP (EE 363 & 15/3/8)

RESOLVED B.77.21.08.14 -

THAT the application submitted by Mabuduga Namadzavho Alpheus and Lindelani Mercy Mabuduga to relax the building line on the southern side from 5 meters to 3 Meters on Erf 363, Eltivillas Extension 1 be approved in terms of Clause 20.1 of the Makhado Land-use Scheme, 2009 subject to the following terms and conditions:

1. No development may commence without approved building plans.
2. The development must comply with the Makhado Land Use Scheme, 2009 with "Residential 1" as the use zone.

3. All costs that may arise as a result of this approval are for the account of the applicant.
4. The operation must comply with municipal by-laws and the National Building regulations.
5. The Municipality may through its authorised officials, enter the property at all reasonable times to conduct any inspection which may be considered necessary or desirable for the application of the Makhado Land Use Scheme, 2009.
6. The approval is further subject to the following conditions:
 - 6.1 **Electricity:** 363 Eltivillas has an existing electricity supply capacity of 16 kVA single phase. Should this capacity be insufficient, any additional supply would be subject to-
 - (a) Overall availability of capacity in the Municipality's electricity supply scheme
 - (b) A fully motivated written application by the client which will be submitted to Senior Management for their consideration
 - (c) Only a maximum of 50 kVA may in any way be considered according to present status of the electricity supply scheme.
 - (d) If there will be any alteration on the electrical installation only a qualified electrical contractor (registered with the Department of Labour as an installation electrician) shall be allowed to install, test and certify the installation work. This contractor will have to register with the municipality before any work commences.

The client is further obliged to comply with the following conditions:

- (a) Application for additional electricity supply must be done by a professional electrical engineer, who must also do the design thereof and supervise all installation work
 - (b) All installations must comply with the Electrical Installations Regulations promulgated under the Occupational Health and Safety Act, 1993
 - (c) Only a registered 3 phase installation electrician may be permitted to install, test and certify the installation work, which must be submitted to Municipality
 - (d) Actual costs plus an electrical engineering contribution proportional to the additional demand on the electricity supply scheme will be payable by the client upfront
- 6.2 **Water:** The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about water supply capacity.
- 6.3 **Sewer:** The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about sewer supply capacity.
- 6.4 **Property Rates:** The landowner must pay all property rates due to the Municipality with retrospective effect of 1 July 2008 if no payments for property rates were processed.

ITEM B.78.21.08.14**TOWN-PLANNING: PROPOSED WRITTEN CONSENT USE: PORTION 1 OF FARM TAMWORTH 394-MS (15/3/15 & 15/3/8)**

RESOLVED B.78.21.08.14 -

THAT the application submitted by Charles Pieterse Attorneys on behalf of the client Manlia Trust for the purpose of a Rural General Dealer on Portion 1 of Farm Tamworth be approved in terms of Clause 20.1 of the Makhado Land-use Scheme, 2009 subject to the following terms and conditions:

1. The use must comply with the Makhado Land Use Scheme, 2009.
2. All costs that may arise as a result of this approval are for the account of the applicant.
3. The consent granted must be implemented within twelve (12) months of the date of the resolution, failure which the approval will automatically be withdrawn without any further notice.
4. The consent shall be for a period of twenty four (24) months, calculated from the date of the approval letter, where after extension thereof may be considered.
5. If a building for which the consent has been granted is demolished, falls into disuse or becomes unsuitable for the purpose for which such consent was given, the approval will automatically be withdrawn without any notice.
6. The Municipality may through its authorised officials, enter the property at all reasonable times to conduct any inspection which may considered necessary or desirable for the application of the Makhado Land Use Scheme, 2009.
7. Alcohol refreshments must not be sold and the Agricultural use remains the main use of the farm.
8. The elevation treatment of the buildings should maintain the character and appearance complementary to the environment.
9. The approval is further subject to the following conditions:
 - 9.1 **Electricity**: Portion 1 of farm Tamworth 394-MS. falls in the ESKOM area of electricity distribution.
 - 9.2 **Water**: The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about water supply capacity.
 - 9.3 **Sewer**: The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about sewer supply capacity.
 - 9.4 **Property Rates**: The landowner must pay all property rates due to the Municipality with retrospective effect of 1 July 2008 as no payments for property rates were processed.

ITEM B.79.21.08.14**TOWN-PLANNING: PROPOSED WRITTEN CONSENT USE: ERF 1049, VUWANI EXTENSION 1 TOWNSHIP (7/4/1/4 & 15/3/8)**

RESOLVED B.79.21.08.14 -

THAT the application submitted by Mr. Baadjie M.A for the purpose of obtaining rights for a “Spaza” on Erf 1049, Vuwani Extension 1 Township be approved in terms of Clause 20.1 of the Makhado Land-use Scheme, 2009 subject to the following terms and conditions:

1. The use must comply with the Makhado Land Use Scheme, 2009.
2. The building plan for the proposed use must be submitted to the municipality for approval before erecting the structure.
3. All costs that may arise as a result of this approval are for the account of the applicant.
4. The consent granted must be implemented within twelve (12) months of the date of the resolution, failure which the approval will automatically be withdrawn without any further notice.
5. The consent shall be for a period of twenty four (24) months, calculated from the date of the approval letter, where after extension thereof may be considered by Council.
6. If a building for which the consent has been granted is demolished, falls into disuse or becomes unsuitable for the purpose for which such consent was given, the approval will automatically be withdrawn without any notice.
7. The Municipality may through its authorised officials, enter the property at all reasonable times to conduct any inspection which may considered necessary or desirable for the application of the Makhado Land Use Scheme, 2009.
8. Alcohol refreshments must not be sold and the residential use remains the main use of the property.
9. The elevation treatment of the buildings should maintain a Residential 1 character and appearance complementary to the environment.
10. The total floor area of the spaza shall not exceed 30m².
11. The approval is further subject to the following conditions:
 - 11.1 **Electricity:** Eskom is the supply authority
 - 11.2 **Water:** The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about water supply capacity.
 - 11.3 **Sewer:** The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about sewer supply capacity.
 - 11.4 **Property Rates:** The landowner must pay all property rates due to the Municipality with retrospective effect of 1 July 2008 as no payments for property rates were processed.

ITEM B.80.21.08.14**TOWN-PLANNING AND CONTROL: CONSOLIDATION OF ERVEN 2289 AND 2290, LOUIS TRICHARDT EXTENSION 4 TOWNSHIP (E 2289, E2290 & 15/3/8)**

RESOLVED B.80.21.08.14 -

THAT the application submitted by Developlan on behalf of their client Abdool Aziz Ismail Ayob to consolidate erven 2289 and 2290 at Louis Trichardt Extension 4 Township be approved in terms of Section 92 (2) (a) of the Town Planning and Townships Ordinance, 1986 (Ord. 15 of 1986) subject to the following conditions:

1. The applicant will be liable for payment of actual cost for service provisions in the event that larger capacities than what is available under the present zoning may be required.
2. Development on the proposed Erven must comply with the Makhado Land Use Scheme, 2009 and as per current use zone.
3. Servitude of 2, 0 meters wide in favour of the Municipality shall be provided for municipal services along any boundary, other than a street boundary, where such services are installed or planned to be installed.
4. No building or other structure or any part of its foundations may be erected in the servitude area and no tree with a potentially large root system may be planted within the servitude area or within 2, 0 meters thereof except with the permission of the Municipality.
5. The Municipality shall be entitled to reasonable access to the land adjoining the servitude area for the construction, maintenance or removal of such services.
6. The Municipality may through its authorized officials, enter the property at all reasonable times to conduct any inspection which may be considered necessary or desirable.
7. The proposed consolidation must be registered in the Deeds Office within two years from date of approval of the application.
8. After approval of the application, the service accounts must be consolidated.
9. The approval is further subject to the following conditions:
 - 9.1 **Electricity:** Erven 2289 and 2290 Louis Trichardt Extension 4 Township have an existing electricity supply capacity of 32kVA. Should this capacity be insufficient, any additional supply would be subject to-
 - (a) Overall availability of capacity in the Municipality's electricity supply scheme
 - (b) A fully motivated written application by the client which will be submitted to Senior Management for their consideration
 - (c) Only a maximum of 50kVA may in any way be considered according to present status of the electricity supply scheme

The client is further obliged to comply with the following conditions:

- (d) Application for additional electricity supply must be done by a professional electrical engineer, who must also do the design thereof and supervise all installation work

- (e) All installations must comply with the Electrical Installations Regulations promulgated under the Occupational Health and Safety Act, 1993
- (f) Only a registered 3 phase installation electrician may be permitted to install, test and certify the installation work, which must be submitted to Municipality
- (g) Actual costs plus an electrical engineering contribution proportional to the additional demand on the electricity supply scheme will be payable by the client upfront
- (h) Before commencement of any work the electrical contractor must register with the municipality.

9.2 **Water:** The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about water supply capacity.

9.3 **Sewer:** The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about sewer supply capacity.

9.4 **Property Rates:** The landowner must pay all property rates due to the Municipality with retrospective effect of 1 July 2008 if no payments for property rates were processed.

ITEM B.81.21.08.14

TOWN-PLANNING AND CONTROL: SUBDIVISION OF ERF 1006 LOUIS TRICHARDT TOWNSHIP (15/3/8 & E 1006)

RESOLVED B.81.21.08.14 -

THAT the application submitted by Geoland Surveys on behalf of their client Netshiswinzhe Azwifarwi David and Netshiswinzhe Shandukani Reginah to subdivide erf 1006 Louis Trichardt Township into three (3) portions be approved in terms of section 92 (2) (a) of the Town Planning and Townships Ordinance, 1986 (Ord. 15 of 1986) subject to the following conditions:

1. Each portion must have its own water and sewer connections for which the installation cost and normal standard connection fees will be payable.
2. Each property must have its own electricity connection for which standard fees will be payable.
3. The approval is further subject to the following conditions:
 - 3.1 **Electricity:** Erf 1006 Louis Trichardt Township has an existing electricity supply capacity of 16 kVA single phase. There is however also a 16 kVA single phase connection available for each of portions 1 and 2. Should this capacity be insufficient, any additional supply would be subject to-
 - (a) Overall availability of capacity in the Municipality's electricity supply scheme
 - (b) A fully motivated written application by the client which will be submitted to Senior Management for their consideration
 - (c) Only a maximum of 50kVA may in any way be considered according to present status of the electricity supply scheme.

The client is further obliged to comply with the following conditions:

- (d) Application for additional electricity supply must be done by a professional electrical engineer, who must also do the design thereof and supervise all installation work
- (e) All installations must comply with the Electrical Installations Regulations promulgated under the Occupational Health and Safety Act, 1993
- (f) Only a registered 3 phase installation electrician may be permitted to install, test and certify the installation work, which must be submitted to Municipality.
- (g) Actual costs plus an electrical engineering contribution proportional to the additional demand on the electricity supply scheme will be payable by the client upfront.
- (h) Before commencement of any work the electrical contractor must register with the municipality.

3.2 **Water**: The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about water supply capacity.

3.3 **Sewer**: The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about sewer supply capacity.

3.4 **Property Rates**: The landowner must pay all property rates due to the Municipality with retrospective effect of 1 July 2008 if no payments for property rates were processed.

4. Development on the proposed portion must comply with the Makhado Land Use Scheme, 2009 and may only be used in accordance with its approved land use zone as determined by the Land Use Scheme.
5. Servitude of 2, 0 meters wide in favour of the Municipality shall be provided for municipal services along any boundary, other than a street boundary, where such services are installed or planned to be installed.
6. No building or other structure or any part of its foundations may be erected in the servitude area and no tree with a potentially large root system may be planted within the servitude area or within 2, 0 meters thereof except with the permission of the Municipality.
7. The applicant will have to pay an amount of R 7 140.29 engineering services contributions for water and R5 898.41 for sewer which will increase annually.
8. The Municipality shall be entitled to reasonable access to the land adjoining the servitude area for the construction, maintenance or removal of such services.
9. The Municipality may through its authorized officials, enter the property at all reasonable times to conduct any inspection which may be considered necessary or desirable.
10. The proposed subdivision must be registered in the Deeds Office within two years from date of approval of the application.

ITEM B.82.21.08.14**TOWN-PLANNING AND CONTROL: AMENDMENT OF RESOLUTION FOR THE SUBDIVISION OF THE REMAINDER OF PORTION 8 OF THE FARM VONDELING NO. 285 LS SUBMITTED IN TERMS OF ROADS AND RIBBON DEVELOPMENT ACT, 1940 (ACT 21 OF 1940) AND THE DIVISION OF LAND ORDINANCE, 1986 (ORDINANCE 20 OF 1986)****(15/3/8 & 15/3/15)****REMARK:**

This item was referred from item A.127.30.10.14.

RESOLVED B.82.21.08.13 -

THAT the Makhado Municipality in terms of section 18(1) of the Division of Land Ordinance, 1986 (Ordinance 20 of 1986) approves the application for subdivision of remainder of Portion 8 of the farm Vondeling 285 LS into two portion measuring in extent 6,6216 Ha and 30,2093 Ha subject to the following conditions:

1. The Department of Development Planning must verify with the Finance Department if Mr. C D and Mrs Burger are not owing the Municipality. If they are owing they must first pay their debts before the approval can be implemented
2. The recommendation is for the subdivision of the property
3. The property is still zoned agricultural” and agriculture uses remain primary rights.
4. In the event that new land rights except that of “agriculture” should be applied for, the appropriate legislation must be followed and the application be submitted to relevant institution for comments
5. In the event that electricity provision is required, each portion must have its own electricity connection for which purpose the standard connection fees and costs in accordance with Council’s policy must be paid.
6. Applicant must submit satisfactory proof that each proposed portion has it own sustainable potable water supply source that will provide sufficiently for the intended land use. This condition must be a condition of sale and embodied in the Title Deed of each property.
7. The Department of Local Government and Housing must consent to this subdivision.

ITEM B.83.21.08.14**TOWN-PLANNING AND CONTROL:**

1. **SUBDIVISION OF REMAINDER AND PORTION 1 OF ERF 349, LOUIS TRICHARDT TOWNSHIP;**
2. **REZONING OF REMAINDER AND PORTION 1 OF ERF 349, LOUIS TRICHARDT TOWNSHIP FROM “RESIDENTIAL 1” & “SPECIAL” FOR OVERNIGHT ACCOMMODATION TO “SPECIAL” FOR MEDICAL CONSULTING ROOMS;**
3. **REZONING OF REMAINDER OF PORTION 1 (A PORTION OF REMAINDER OF ERF 349) AND PORTION 1 (A PORTION OF PORTION 1 OF ERF 349) LOUIS TRICHARDT TOWNSHIP FROM “RESIDENTIAL 1” & “SPECIAL” FOR OVERNIGHT ACCOMMODATION TO “INSTITUTIONAL” (AMENDMENT SCHEME NO. 102);**
4. **CONSOLIDATION OF PORTION 1(A PORTION OF PORTION 1 OF ERF 349) AND PORTION 1 (A PORTION OF REMAINDER OF ERF 349) WITH ERF 6065 LOUIS TRICHARDT TOWNSHIP; AND**
5. **CONSOLIDATION OF REMAINDER AND PORTION 1 OF ERF 349, LOUIS TRICHARDT TOWNSHIP**

(E 349/R, E 349/1, E 6065, 15/3/8 &15/4/2/2/1/334)

REMARK:

This item was referred from item A.128.14.10.14.

RESOLVED B.83.21.08.14 -

THAT an application submitted by Theo Ernst Kotze of the firm DEVELOPLAN Pbg Inc. on behalf of their client Dr Michiel P Roos Ingelyf and Zoutpansberg Medical Care PTY Ltd for subdivision of remainder and Portion 1 of erf 349, rezoning of remainder and portion 1 of Erf 349 from “Residential 1” & “Special” for overnight accommodation to “Special” for medical consulting rooms, rezoning of remainder of Portion 1 (a Portion of remainder of Erf 349) and Portion 1 (a Portion of Portion 1 of Erf 349) from “Residential 1” & “Special” for overnight accommodation to “Institutional”, consolidation of Portion 1(a Portion of Portion 1 of Erf 349) and Portion 1 (a Portion of remainder of Erf 349) with Erf 6065 and consolidation of remainder and Portion 1 of Erf 349 Louis Trichardt Township be approved in terms of section 92(2)(a) and Section 56(9) of the Town Planning and Townships Ordinance, 1986 (Ord. 15 of 1986) respectively subject to the following conditions:

1. No development and/or construction shall take place on the erf before the promulgation of the rezoning and registration of the consolidated erf.
2. No building or alteration operations may commence without approved building plans.
3. Site development plan must be submitted before any building plans can be approved.
4. The development must comply with the Makhado Land Use Scheme, 2009 with “Residential 2” as the use zone.
5. Accessible parking space must be provided inside the property and Municipal side walk should not be utilized as parking space.
6. The measurement of the perpendicular or angled parking must not be less than 5,5m x 2,7m and 6,0m x 2,7m for parallel parking.
7. Engineering services contributions will be payable and will be calculated in accordance with Council’s formula for such services.

8. The applicant will be liable for payment of actual cost for service provisions in the event that larger capacities than what is available under the present zoning may be required.
9. Servitude of 2, 0 meters wide in favour of the Municipality shall be provided for municipal services along any boundary, other than a street boundary, where such services are installed or planned to be installed.
10. No building or other structure or any part of its foundations may be erected in the servitude area and no tree with a potentially large root system may be planted within the servitude area or within 2, 0 meters thereof except with the permission of the Municipality.
11. The Municipality shall be entitled to reasonable access to the land adjoining the servitude area for the construction, maintenance or removal of such services.
12. The Municipality may through its authorized officials, enter the property at all reasonable times to conduct any inspection which may be considered necessary or desirable.
13. The proposed subdivision and consolidation must be registered in the Deeds Office within two years from date of approval of the application.
14. The rezoning be finalized (Promulgated) before the registration of the subdivided and consolidated erven.
15. After approval of the application, the service accounts must be consolidated.
16. The applicant is expected to do the Promulgation Process and submit proof of notices within a period of three weeks after approval.
17. The approval is further subject to the following conditions:
 - 17.1 Electricity:
 - i) Portion 1 of Erf 349 Louis Trichardt Township has an existing capacity of 16 kVA single phase.
 - ii) The remainder of Erf 349 Louis Trichardt Township has an existing capacity of 40 kVA three phase.
 - iii) Erf 6065, Louis Trichardt Township has an existing electricity supply capacity of 175 kVA. A maximum of 50 kVA will however be available for the consolidated Portion 1 and Remainder of Erf 349 according to present status of the electricity supply scheme.
Should this capacity be insufficient, any additional supply would be subject to-
 - (a) Overall availability of capacity in the Municipality's electricity supply scheme.
 - (b) A fully motivated written application by the client which will be submitted to Senior Management for their consideration
 - (c) Only a maximum of 50 kVA may in any way be considered according to present status of the electricity supply scheme

The client is further obliged to comply with the following conditions:

 - (a) Application for additional electricity supply must be done by a professional electrical engineer, who must also do the design thereof and supervise all installation work
 - (b) All installations must comply with the Electrical Installations Regulations promulgated under the Occupational Health and Safety Act, 1993

- (c) Only a registered 3 phase installation electrician may be permitted to install, test and certify the installation work, which must be submitted to Municipality
- (d) Actual costs plus an electrical engineering contribution proportional to the additional demand on the electricity supply scheme will be payable by the client upfront
- (e) Before commencement of any work the electrical contractor must register with the municipality.

17.2 **Water:** The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about water supply capacity.

17.3 **Sewer:** The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about sewer supply capacity.

17.4 **Property Rates:** The landowner must pay all property rates due to the Municipality with retrospective effect of 1 July 2008 if no payments for property rates were processed.

RESOLVED B.84.21.08.14 -

THAT an application submitted by Developlan Pbg Inc. on behalf of their clients Zonekai Property Investment Pty Ltd to rezone Erf 145 from “Residential 1” to “Business 2” for the purpose of erecting Offices be approved in terms of section 56(9) of the Town Planning and Townships Ordinance, 1986 (Ord. 15 of 1986) subject to the following conditions:

1. No building or alterations may commence without approved building plans.
2. Site development plan must be submitted before any building plans can be approved.
3. The development must comply with the Makhado Land Use Scheme, 2009 with “Business 2” as the use zone.
4. Accessible parking space must be provided inside the property and Municipal side walk should not be utilized as parking space.
5. The measurement of the perpendicular or angled parking must not be less than 5,5m x 2,7m and 6,0m x 2,7m for parallel parking.
6. Engineering services contributions will be payable and will be calculated in accordance with Council’s formula for such services.
7. The approval is further subject to the following conditions:
 - 7.1 **Electricity:** Erf 145, Louis Trichardt has an existing electricity supply capacity of 16 kVA. Should this capacity be insufficient, any additional supply would be subject to-

- (a) Overall availability of capacity in the Municipality's electricity supply scheme
- (b) A fully motivated written application by the client which will be submitted to Senior Management for their consideration
- (c) Only a maximum of 50kVA may in any way be considered according to present status of the electricity supply scheme

The client is further obliged to comply with the following conditions:

- (d) Application for additional electricity supply must be done by a professional electrical engineer, who must also do the design thereof and supervise all installation work
- (e) All installations must comply with the Electrical Installations Regulations promulgated under the Occupational Health and Safety Act, 1993
- (f) Only a registered 3 phase installation electrician may be permitted to install, test and certify the installation work, which must be submitted to Municipality
- (g) Actual costs plus an electrical engineering contribution proportional to the additional demand on the electricity supply scheme will be payable by the client upfront.
- (h) If there will be any alteration on the electrical installation only a qualified electrical contractor (registered with the Department of Labour as an installation electrician) shall be allowed to install, test and certify the installation work. This contractor will have to register with the municipality before any work commence.

7.2 **Water:** The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about water supply capacity.

7.3 **Sewer:** The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about sewer supply capacity.

7.4 **Property Rates:** The landowner must pay all property rates due to the Municipality with retrospective effect of 1 July 2008 if no payments for property rates were processed.

- 8. The applicant will be liable for payment of actual cost for service provisions in the event that larger capacities than what is available under the present zoning may be required.
- 9. Servitude of 2, 0 meters wide in favour of the Municipality shall be provided for municipal services along any boundary, other than a street boundary, where such services are installed or planned to be installed.
- 10. No building or other structure or any part of its foundations may be erected in the servitude area and no tree with a potentially large root system may be planted within the servitude area or within 2, 0 meters thereof except with the permission of the Municipality.
- 11. The Municipality shall be entitled to reasonable access to the land adjoining the servitude area for the construction, maintenance or removal of such services.
- 12. The Municipality may through its authorized officials, enter the property at all reasonable times to conduct any inspection which may be considered necessary or desirable.
- 13. The applicant is expected to do the Promulgation Process and submit proof of notice within a period of three weeks after approval.

14. Should there be a need for a notice board, a formal application for a notice board must be submitted to the Municipality.
15. Noisy activities must not be practiced within the property since the area is predominantly residential.

RESOLVED B.87.21.08.14 -

THAT the application submitted by Developlan on behalf of their clients Mashakgomo Frank Mohwela and Mashakgomo Paulinah Modjadji to rezone portion 1 of Erf 581, Louis Trichardt Township from “Residential 1” to “Residential 3” for the purpose of dwelling units simultaneously with Clause 22 application for the relaxation of density from 45 to 65 dwelling units per hectare be approved in terms of section 56 (9) (a) of the Town Planning and Townships Ordinance (Ord. 15 of 1986) and clause 20.1 of Makhado Land Use Scheme, 2009 subject to the following conditions:

1. No building or alteration operations may commence without approved building plans.
2. Site development plan must be submitted before any building plans can be approved.
3. The development must comply with the Makhado Land Use Scheme, 2009 with “Residential 3” as the use zone.
4. Accessible parking space must be provided inside the property and Municipal side walk should not be utilized as parking space.
5. The measurement of the perpendicular or angled parking must not less than 5,5m x 2,7m and 6,0m x 2,7m for parallel parking.
6. Engineering services contributions will be payable and will be calculated in accordance with Council’s formula for such services.
7. The approval is further subject to the following conditions:
 - 7.1 **Electricity:** Portion 1 of erf 581, Louis Trichardt is an open stand with no connection. Only a maximum of 25kVA three phase may be considered according to present status of the electricity supply scheme. Should this capacity be insufficient, any additional supply would be subject to-
 - (a) Overall availability of capacity in the Municipality’s electricity supply scheme
 - (b) A fully motivated written application by the client which will be submitted to Senior Management for their consideration

The client is further obliged to comply with the following conditions:

 - (c) Application for additional electricity supply must be done by a professional electrical engineer, who must also do the design thereof and supervise all installation work
 - (d) All installations must comply with the Electrical Installations Regulations promulgated under the Occupational Health and Safety Act, 1993

- (e) Only a registered 3 phase installation electrician may be permitted to install, test and certify the installation work, which must be submitted to Municipality
- (f) Actual costs plus an electrical engineering contribution proportional to the additional demand on the electricity supply scheme will be payable by the client upfront
- (g) Before commencement of any work the electrical contractor must register with the municipality.

7.2 **Water:** The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about water supply capacity.

7.3 **Sewer:** The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about sewer supply capacity.

7.4 **Property Rates:** The landowner must pay all property rates due to the Municipality with retrospective effect of 1 July 2008 if no payments for property rates were processed.

8. The applicant will be liable for payment of actual cost for service provisions in the event that larger capacities than what is available under the present zoning may be required.
9. Servitude of 2, 0 meters wide in favour of the Municipality shall be provided for municipal services along any boundary, other than a street boundary, where such services are installed or planned to be installed.
10. No building or other structure or any part of its foundations may be erected in the servitude area and no tree with a potentially large root system may be planted within the servitude area or within 2, 0 meters thereof except with the permission of the Municipality.
11. The Municipality shall be entitled to reasonable access to the land adjoining the servitude area for the construction, maintenance or removal of such services.
12. The Municipality may through its authorized officials, enter the property at all reasonable times to conduct any inspection which may be considered necessary or desirable.
13. Open spaces for residents must be provided on the erf at a ratio of 39m² per dwelling unit.
14. The applicant is expected to do the Promulgation Process and submit proof of notice within a period of three weeks after approval.

ITEM B.91.25.09.14 (originally B.91.18.09.14)

TOWN-PLANNING: PROPOSED WRITTEN CONSENT USE: REMAINDER OF ERF 1857 LOUIS TRICHARDT EXTENSION 2 TOWNSHIP (E 1857/R & 15/3/8)

RESOLVED B.91.25.09.14 –

THAT the application submitted by K. Barkhuizen for the purpose of a Granny Flat on the remainder of erf 1857 Louis Trichardt Township extension 2, be approved in terms of Clause 20.1 of the Makhado Land-use Scheme, 2009 subject to the following conditions:

1. The use must comply with the Makhado Land Use Scheme, 2009.
2. No building or alteration operations may commence without approved building plans.
3. All costs that may arise as a result of this approval are for the account of the applicant.
4. The consent granted must be implemented within twelve (12) months of the date of the resolution, failure which the approval will automatically be withdrawn without any further notice.
5. If a building for which the consent has been granted is demolished, falls into disuse or becomes unsuitable for the purpose for which such consent was given, the approval will automatically be withdrawn without any notice.

6. The Municipality may through its authorised officials, enter the property at all reasonable times to conduct any inspection which may be considered necessary or desirable for the application of the Makhado Land Use Scheme, 2009.
7. The elevation treatment of the buildings should maintain a Residential 1 character and appearance complementary to the environment.
8. The total floor area of the Granny Flat must not exceed 70 m².
9. The approval is further subject to the following conditions:

9.1 **Electricity:** Erf 1857/R, Louis Trichardt has an existing electricity supply capacity of 16 kVA single phase. No extra connection will be allowed.

Should this capacity be insufficient, any additional supply would be subject to-

- (a) Overall availability of capacity in the Municipality's electricity supply scheme
- (b) A fully motivated written application by the client which will be submitted to Senior Management for their consideration
- (c) Only a maximum of 50kVA may in any way be considered according to present status of the electricity supply scheme

The client is further obliged to comply with the following conditions:

- (i) Application for additional electricity supply must be done by a professional electrical engineer, who must also do the design thereof and supervise all installation work
- (ii) All installations must comply with the Electrical Installations Regulations promulgated under the Occupational Health and Safety Act, 1993
- (iii) Only a registered 3 phase installation electrician may be permitted to install, test and certify the installation work, which must be submitted to Municipality
- (iv) Actual costs plus an electrical engineering contribution proportional to the additional demand on the electricity supply scheme will be payable by the client upfront
- (v) Before commencement of any work the electrical contractor must register with the municipality.

9.2 **Water:** The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about water supply capacity.

9.3 **Sewer:** The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about sewer supply capacity.

9.4 **Property Rates:** The landowner must pay all property rates due to the Municipality with retrospective effect of 1 July 2008 if no payments for property rates were processed.

ITEM B.92.25.09.14 (originally B.92.18.09.14)**TOWN-PLANNING: PROPOSED WRITTEN CONSENT USE FOR KIOSK: PORTION 14 OF ERF 2492, LOUIS TRICHARDT EXTENSION 4 TOWNSHIP (E 2492/14 & 15/3/8)**

RESOLVED B.92.25.09.14 –

THAT the application submitted by Patel Dharmistha Vallabhbai for the purpose of obtaining consent to operate a kiosk on Portion 14 of Erf 2492 Louis Trichardt Extension 4 Township be disapproved in terms of Clause 20.1 of the Makhado Land-use Scheme 2009, subject to the following reason:

Garage cannot be utilized as a Kiosk as it is attached to the main house and opposes the definition thereof as defined by Makhado Land Use Scheme, 2009 as follows: kiosk means a *building designed* and use for the preparation or retail sale of meals and refreshments as well as the retail sale of cold drinks, tobacco, reading material and sweets.

ITEM B.93.25.09.14 (originally B.93.18.09.14)**TOWN-PLANNING AND CONTROL:**

- 1. PROPOSED REZONING: PORTION 1 OF ERF 67 , LOUIS TRICHARDT TOWNSHIP FROM “RESIDENTIAL 1” TO “RESIDENTIAL 3” FOR THE PURPOSE OF DEVELOPING DWELLING UNITS (AMENDMENT SCHEME NO. 127)**
- 2. SIMULTANEOUS APPLICATION FOR SPECIAL CONSENT TO RELAX DENSITY TO 65 UNITS PER HECTARE (E 67/1, 15/3/8 & 15/4/2/2/1/359)**

RESOLVED B.93.25.09.14 –

THAT an application submitted by Developlan Pbg Inc. on behalf of their client Naomi Stander for rezoning of Portion 1 of Erf 67 be approved in terms of section 56(9) of the Town Planning and Townships Ordinance, 1986 (Ord. 15 of 1986) and simultaneous application in terms a Clause 22 of Makhado Land Use Scheme, 2009 to increase the permitted density from 45 to 65 units per hectare be approved in terms of Clause 20.1 of the Makhado Land Use Scheme, 2009, subject to the following conditions:

1. No development and/or construction shall take place on the erf before the promulgation of the rezoned erf.
2. No building or alteration operations may commence without approved building plans.
3. Site development plan must be submitted before any building plans can be approved.
4. The development must comply with the Makhado Land Use Scheme, 2009 with “Residential 3” as the use zone.
5. Accessible parking space must be provided inside the property and Municipal side walk should not be utilized as parking space.
6. The measurement of the perpendicular or angled parking must not less than 5,5m x 2,7m and

6,0m x 2,7m for parallel parking.

7. Open spaces for residents must be provided on the erf at a ration of 39m² per dwelling unit.
8. Engineering services contributions will be payable and will be calculated in accordance with Council's formula for such services.
9. The approval is further subject to the following conditions:

9.1 **Electricity:** Portion 1 of Erf 67, Louis Trichardt has an existing electricity supply capacity of 37.5 kVA. As the Erf was subdivided years ago into two portions portion 1 is only entitled to have a 25 kVA connection.

Should this capacity be insufficient, any additional supply would be subject to-

- (a) Overall availability of capacity in the Municipality's electricity supply scheme
- (b) A fully motivated written application by the client which will be submitted to Senior Management for their consideration
- (c) Only a maximum of 50kVA may in any way be considered according to present status of the electricity supply scheme.

The client is further obliged to comply with the following conditions:

- (i) Application for additional electricity supply must be done by a professional electrical engineer, who must also do the design thereof and supervise all installation work
- (ii) All installations must comply with the Electrical Installations Regulations promulgated under the Occupational Health and Safety Act, 1993
- (iii) Only a registered 3 phase installation electrician may be permitted to install, test and certify the installation work, which must be submitted to Municipality
- (iv) Actual costs plus an electrical engineering contribution proportional to the additional demand on the electricity supply scheme will be payable by the client upfront
- (v) Before commencement of any work the electrical contractor must register with the municipality.

9.2 **Water:** The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about water supply capacity.

9.3 **Sewer:** The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about sewer supply capacity.

9.4 **Property Rates:** The landowner must pay all property rates due to the Municipality with retrospective effect of 1 July 2008 if no payments for property rates were processed.

10. The applicant will be liable for payment of actual cost for service provisions in the event that larger capacities than what is available under the present zoning may be required.
11. Servitude of 2, 0 meters wide in favour of the Municipality shall be provided for municipal services along any boundary, other than a street boundary, where such services are installed or planned to be installed.
12. No building or other structure or any part of its foundations may be erected in the servitude area and no tree with a potentially large root system may be planted within the servitude area or within 2, 0 meters thereof except with the permission of the Municipality.

13. The Municipality shall be entitled to reasonable access to the land adjoining the servitude area for the construction, maintenance or removal of such services.
14. The Municipality may through its authorized officials, enter the property at all reasonable times to conduct any inspection which may be considered necessary or desirable.

ITEM B.96.25.09.14 (originally B.96.18.09.14)

**TOWN-PLANNING AND CONTROL: REZONING: PORTION 1 OF ERF 138, LOUIS TRICHARDT TOWNSHIP FROM “RESIDENTIAL 1” TO “BUSINESS 2” FOR OFFICES (AMENDMENT SCHEME NO. 120)
(E 138/1, 15/3/8 & 15/4/2/2/1/352)**

RESOLVED B.96.25.09.14 -

THAT an application submitted by Kotze Theo Ernst of the firm DEVELOPLAN Pbg Inc. on behalf of their client Magwabeni Nditsheni George for rezoning of Portion 1 of Erf 138 be approved in terms

of section 56(9) of the Town Planning and Townships Ordinance, 1986 (Ord. 15 of 1986), subject to the following conditions:

1. No development and/or construction shall take place on the erf before the promulgation of the rezoned erf.
2. No building or alteration operations may commence without approved building plans.
3. Site development plan must be submitted before any building plans can be approved.
4. The development must comply with the Makhado Land Use Scheme, 2009 with “Business 2” as the use zone.
5. Accessible parking space must be provided inside the property and Municipal side walk should not be utilized as parking space.
6. The measurement of the perpendicular or angled parking must not less than 5,5m x 2,7m and 6,0m x 2,7m for parallel parking.
7. Engineering services contributions will be payable and will be calculated in accordance with Council’s formula for such services.
8. The approval is further subject to the following conditions:

8.1 **Electricity**: Portion 1 of Erf 138, Louis Trichardt has an existing electricity supply capacity of 33 kVA. Should this capacity be insufficient, any additional supply would be subject to-

- (a) Overall availability of capacity in the Municipality’s electricity supply scheme
- (b) A fully motivated written application by the client which will be submitted to Senior Management for their consideration
- (c) Only a maximum of 50 kVA may in any way be considered according to present status of the electricity supply scheme.

The client is further obliged to comply with the following conditions:

- (i) Application for additional electricity supply must be done by a professional electrical engineer, who must also do the design thereof and supervise all installation work
- (ii) All installations must comply with the Electrical Installations Regulations promulgated under the Occupational Health and Safety Act, 1993
- (iii) Only a registered 3 phase installation electrician may be permitted to install, test and certify the installation work, which must be submitted to Municipality
- (iv) Actual costs plus an electrical engineering contribution proportional to the additional demand on the electricity supply scheme will be payable by the client upfront
- (v) Before commencement of any work the electrical contractor must register with the municipality

8.2 **Water**: The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about water supply capacity.

8.3 **Sewer**: The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about sewer supply capacity.

8.4 **Property Rates:** The landowner must pay all property rates due to the Municipality with retrospective effect of 1 July 2008 if no payments for property rates were processed. The applicant will be liable for payment of actual cost for service provisions in the event that larger capacities than what is available under the present zoning may be required.

9. Servitude of 2, 0 meters wide in favour of the Municipality shall be provided for municipal services along any boundary, other than a street boundary, where such services are installed or planned to be installed.
10. No building or other structure or any part of its foundations may be erected in the servitude area and no tree with a potentially large root system may be planted within the servitude area or within 2, 0 meters thereof except with the permission of the Municipality.
11. The Municipality shall be entitled to reasonable access to the land adjoining the servitude area for the construction, maintenance or removal of such services.
12. The Municipality may through its authorized officials, enter the property at all reasonable times to conduct any inspection which may be considered necessary or desirable.
13. The applicant is expected to do the Promulgation Process and submit proof of notices within a period of three weeks after approval.

ITEM B.97.25.09.14 (originally B.97.18.09.14)

TOWN-PLANNING AND CONTROL:

1. **PROPOSED REZONING: ERF 768, LOUIS TRICHARDT TOWNSHIP FROM “RESIDENTIAL 1” TO “RESIDENTIAL 2” FOR THE PURPOSE OF TOWN HOUSES (AMENDMENT SCHEME NO. 110)**
2. **CLAUSE 21 APPLICATION FOR THE RELAXATION OF DENSITY TO 45 UNITS PER HECTARE (E768 & 15/4/2/2/1/342)**

RESOLVED B.97.25.09.14 –

THAT the application submitted by Developlan on behalf of their clients Nyiko Michael Nghatsane and Maria Solani Nghatsane to rezone Erf 768, Louis Trichardt Township from “Residential 1” to “Residential 2” for the purpose of town houses simultaneously with clause 21 application for the relaxation of density from 20 to 45 units per hectare be approved in terms of section 56 (9) (a) of the Town Planning and Townships Ordinance, 1986 (Ord. 15 of 1986) and clause 20.1 of Makhado Land Use Scheme, 2009, subject to the following conditions:

1. No building or alterations may commence without approved building plans.
2. Site development plan must be submitted before any building plans can be approved.
3. The development must comply with the Makhado Land Use Scheme, 2009 with “Residential 2” as the use zone.
4. Accessible parking space must be provided inside the property and Municipal side walk should not be utilized as parking space.
5. The measurement of the perpendicular or angled parking must not be less than 5,5m x 2,7m and

6,0m x 2,7m for parallel parking.

6. Engineering services contributions will be payable and will be calculated in accordance with Council's formula for such services.

7. The approval is further subject to the following conditions:

7.1 **Electricity:** Erf 768, Louis Trichardt has an existing electricity supply capacity of 37.5 kVA. Should this capacity be insufficient, any additional supply would be subject to-

- a. Overall availability of capacity in the Municipality's electricity supply scheme
- b. A fully motivated written application by the client which will be submitted to Senior Management for their consideration
- c. Only a maximum of 50 kVA may in any way be considered according to present status of the electricity supply scheme.

The client is further obliged to comply with the following conditions:

- (a) Application for additional electricity supply must be done by a professional electrical engineer. This engineer must in any way do the design of the electrical layout and supervise all installation work
- (b) All installations must comply with the Electrical Installations Regulations promulgated under the Occupational Health and Safety Act, 1993
- (c) Only a registered 3 phase installation electrician may be permitted to install, test and certify the installation work, which must be submitted to Municipality
- (d) Actual costs plus an electrical engineering contribution proportional to the additional demand on the electricity supply scheme will be payable by the client upfront
- (e) Before commencement of any work the electrical contractor must register with the municipality

7.2 **Water:** The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about water supply capacity.

7.3 **Sewer:** The Municipality is an operational agent of Vhembe District Municipality who is the WSA and therefore no comments can be given about sewer supply capacity.

7.4 **Property Rates:** The landowner must pay all property rates due to the Municipality with retrospective effect of 1 July 2008 if no payments for property rates were processed.

8. The applicant will be liable for payment of actual cost for service provisions in the event that larger capacities than what is available under the present zoning may be required.
9. Servitude of 2,0 meters wide in favour of the Municipality shall be provided for municipal services along any boundary, other than a street boundary, where such services are installed or planned to be installed.
10. No building or other structure or any part of its foundations may be erected in the servitude area and no tree with a potentially large root system may be planted within the servitude area or within 2,0 meters thereof except with the permission of the Municipality.
11. The Municipality shall be entitled to reasonable access to the land adjoining the servitude area for the construction, maintenance or removal of such services.

12. The Municipality may through its authorized officials, enter the property at all reasonable times to conduct any inspection which may be considered necessary or desirable.
13. Open spaces for residents must be provided on the erf at a ratio of 39m² per dwelling unit.
14. The applicant is expected to do the Promulgation Process and submit proof of notice within a period of three weeks after approval.
