## DISCLAIMER

These pages contain data and information that are subject to copyright under the law of South Africa. The contents are offered on request in electronic format, as a service, subject to change, suspension or termination without notice.

The contents may not be copied, reproduced, redistributed to third parties in any form for any purpose whatsoever, or applied to commercial use without the written consent of the Council.

The general valuation roll in electronic format is made available as an additional service to the public during the "General Valuation Roll" inspection and objection period, which expires on 31<sup>st</sup> of March 2014. This electronic facility is not a statutory requirement prescribed by the Municipal Property Rates Act, 6 of 2004. Alternatively, as advertised, hard copies of the General Valuation Roll can be viewed at the Municipal Office as advertised in the Notice of Inspection.

We are unable to provide the public with any indication with regards to the rates that will be payable, as this will only be known once the Tariffs have been determined and approved and the budget finalised during May 2014.
