Munaca FC surprise with win over Ollesdas

By Kaizer Nengovhela

Munaca FC proved all their critics wrong by beating Ollesdas FC in an ABC Motsepe league clash played at Louis Trichardt Show

Grounds on 10 March. Ollesdas had nobody to blame for the defeat but themselves. They squandered countless scoring opportunities throughout the game. Their captain, Phuthi Manamela, could not live up to the technical team's expectations as a scoring machine as he was tightly marked. Realising that life was difficult for him as a striker, Manamela moved back and played as a midfielder, but that did not assist his team as the opponents kept a watchful eye on him at all times.

The keeper of Munaca, Bongani Manabhele, made his presence felt in the 12th minute. He braved West Ngwenane's close-range volley and palmed the ball away for a corner kick. The game turned lukewarm for about 20 minutes as the teams were studying each other. Munaca started to launch more attacks from

the middle of the park soon afterwards. Puleng Mabele of Ollesdas was booked for a late tackle on Hlayisi Chaulse in the 25th minute.

Ltswi Zulu of Munaca scored the solitary goal in the 28th minute. He unleashed from inside the box and found the spot, to make the half-time score 1-0.

Munaca played defensive football in the second half and allowed their opponents to spend a lot of time within their territory. The referee flashed the first yellow card in the 60th minute when Matamela Ndou of Munaca was reprimanded for a dangerous tackle on Karim Masebe.

In the 67th minute, Munaca should have increased the margin when Tiyiko Maluleke broke loose from the left flank, but he shot wide from close range.

Late in the game, Ollesdas should have equalised, but Tsegofaso Mabotsa's ground-cutter hit the woodwork and bounced back into play, much to the disappointment of the team's technical department.

Phuthi Manamela of Ollesdas (left) and Matamela Ndou fight for the ball.

Ridgeway athletes collect top awards, 49 gold medals

Ridgeway College's athletes did exceptionally well during the friendly day/night athletics meet hosted by Louis Trichardt High School last Friday. In total, the college's athletes raised in 49 gold medals, 63 silver medals and 59 bronze medals. Some of the college's athletes also walked away with top awards, like Alex Fourie (high jump of 1.8m) who was voted the Best Senior Field Athlete of the Day. He was also Senior Victor Ladorum. Phindulani Mhlanga was the Junior Victor Ladorum, while Marilyn Munyola was the Junior Victor Ladorum. The Best Junior Track Athlete of the Day was the college's Unarine Netshangani (fastest 200m in 25.34s). Ridgeway's athletes are fast becoming a force to be reckoned with. During the inter-house sports day just prior to last Friday's athletics meeting, 24 of the college's athletes set 34 new records. Pictured from left to right are Alex Fourie, Phindulani Mhlanga, Marilyn Munyola and Unarine Netshangani. Photo supplied.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.
- 3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
