Rayner's absence in Stellies line-up 'an advantage' for SuperSport United

By **Athenkosi Tsotsi**

SuperSport United midfielder Jamie Webber says they will have a slight advantage today when they take on Stellenbosch in the DStv Premiership at the TUT Stadium (7.30pm) because of the absence of Iqraam Rayners.

Rayners returned to Stellies in January after securing a permanent move from SuperSport United.

The transfer has revitalised the striker's career as he's one of the most in-form players in South Africa.

Since February, the 27-year-old forward has scored 15 goals in all competitions.

He has credited Stellies coach Steve Barker for getting the best out of him.

However, today the Winelands side will have to play without him.

In an interview with Radio 2000 Rayners revealed that there was a clause in his contract prohibiting him from playing against Matsatsantsa a Pitiri.

Speaking to Sowetan yesterday, Webber said Rayners not being there for Stellenbosch works for them as he would have presented problems as

'Since he's been there he's been top scorer and without him, it's going to be difficult for them'

he's the danger man for their visitors. "It's an advantage in a way, you can see what he's doing for the club, he's doing very well, he's scored 15 goals in 11 games," Webber said.

"We know him inside out and is a dangerous man for them, he's playing well there and coach Steve knows how to use him.

"I feel if he had to play he would have caused us problems. Since he's been there he's been the top scorer and without him, it's going to be difficult for them.

"I wouldn't say it's an advantage for us but it's still going to be a tight game," he said.

United are in third place

with 47 points, they are in the hunt for CAF Champions League football along with Orlando Pirates and Kaizer Chiefs.

With nine points available in the season, Webber said they can't slack in their chase for continental football.

"It's a big deal and a nice experience (to play continental football) for the younger boys to see what it's like in other countries and to fight on the field.

"So it is important to us and we will try our best to get to the second spot.

"It starts with us, we can't slack now, we have to keep trying to win," said Webber.

Loss to Morocco not end of the road: coach

Crowie sets his sights on Zambia

By **Athenkosi Tsotsi**

SA U-17 coach Duncan Crowie has emphasised that their journey in Afcon in Algeria is not over after losing their opening match 2-0 to Morocco yesterday at the Mohamed-Hamlaoui Stadium.

Despite putting up a solid shift, especially in the first half, Amajimbos conceded two goals in the second stanza to suffer a damaging defeat.

Reflecting to the match, Crowie said there were plenty of positives and noted the need to polish things up in the final third.

"A lot of things worked for us," Crowie told the media.

"We had the upper hand, we had more ball possession, we had the territorial advantage but unfortunately in the final third we became stagnant, they had numbers behind the ball, and they played on the counter," he said.

SA are rooted at the bottom of Group B, with Morocco in first place, followed by Nigeria and Zambia in third place.

The prospects of the U-17 making it out of the group

stages look tight, there's little room for error in their remaining two games.

To keep the spirit of the team high, Crowie told them about how in 2010 Spain lost their opening match of the Fifa World Cup but went on to win the tournament staged in SA.

Next for Amajimbos is Zambia. The two meet tomorrow at the Mohamed-Hamlaoui Stadium (9pm).

"We will take what we have learned from this game and then put in real force in the next game against Zambia," Crowie said.

"As far as the areas we need to improve on, I don't think it's a technical or tactical thing, I think it's more of composure in the final third we need, to get more touches and passes going in the final third."

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.
- 3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
