Nqothole to square off against Namibian

'Sequence' returns to action after tough Mexico trip

By Bongani Magasela

Top-rated junior bantamweight contender Sikho Nqothole returns to action on Friday at Boxcamp in Booysens where the former WBO global champion, who is nicknamed "Sequence", will welcome Namibian Jafet Amukwa.

Their international bout, a career-advancing fight for Nqothole who is rated No 11 by the IBF and 15th by the WBO, is scheduled for 10 rounds.

It will headline Boxing 5's 10-bout card. Nqothole last fought on May 25 when he dropped a points decision to Rene Calixto Bibiano over 10 rounds in Mexico. Nqothole, 30, from Mthatha has boxed professionally since 2017 and is rated 17th by the WBC. With 11 knockouts in 18 wins and three losses, Nqothole will welcome the Namibian whose previous visit to SA was an unpleasant one, losing to Deejay Kriel over 10 rounds. sports streaming and entertainment platform will broadcast the titanic heavyweight tussle between Anthony "AJ" Joshua and Daniel Dubois live at Wembley on Saturday.

Dubois puts his IBF heavyweight title on the line, with both men eyeing a shot at undisputed greatness should they achieve victory in the squared circle. Dubois won the interim IBF belt back in June after stopping Filip Hrgovic in the eighth round of their scrap in Saudi Arabia. The IBF heavyweight title had become vacant after undisputed champion Olekasandr Usyk relinquished it.

Wainstein is happy to bring back Nqothole into action.

"Sequence went to Mexico and it was shocking how they treated him; he got beat but it was a close fight," he said. Also to feature is Katlego Khanyisa - the No 5 contender for the junior lightweight title held by Asanda Gingqi – in an eight-rounder against Sandile Dumisa, with Frank Sotomela, the No 3 rated contender in flyweight division, against Thamsanqa Cele. Former SA mini flyweight champion Bangile Nyangani will make his debut in the flyweight division against Njabulo Buthelezi. SA-based Zimbabwean, Almighty Moyo, will face tough-as-steak Congolese Faraday Mukandila, with Sameer Mulla taking on Saul Hlungwane over six rounds. Action will begin at 7pm.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.
- 3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
 - 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
 - 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
