CHIPPA ARE NOT PANICKING YET, SAYS NWABALI

● Struggling Chilli Boys face tough back-to-back tests against Soweto giants

By NEVILLE KHOZA

Chippa United captain Stanley Nwabali insists the club is not pressing any panic buttons yet, despite struggling at the bottom of the Betway Premiership.

Things aren't going well for the Chilli Boys; they have already parted ways with three coaches this season.

Sinethemba Badela stepped down due to disagreements with sporting director Sinesipho Mali earlier in the campaign.

Musa Nyatama, who was only in charge for a few matches, was fired before Luc Eymael took over in August, but things didn't improve, and he was also released by the club.

Vusumuzi Vilakazi is now in charge, and hopes to change the club's fortunes.

"You know, I'm the captain, and what we're experiencing is something that happens in football; it's not something that has never happened before," said the Chippa goalkeeper.

"Sometimes, in a season, you start badly; sometimes, you start well. I feel like this campaign has not been good for the team, but I'm giving the fans hope we will get better."

The Chilli Boys have two tough matches against Soweto giants Orlando Pirates (November 25) and Kaizer Chiefs (December 3) before the Africa Cup of Nations (Afcon) recess.

Nwabali is currently with the Nigeria national team as they prepare for the 2026 Fifa World Cup playoffs in a mini tournament in Rabat, Morocco. They will face Gabon in the semifinal today, and the winner will take on either Cameroon or DR Congo in Sunday's final.

The keeper said the team will have to use this chance to try to book a place in

the World Cup after finishing second in their Group C qualifiers. "We feel it's a real second chance for us coming into these World Cup qualifiers," he said.

"Talking about our game against Benin, I felt like we passed maybe one, two, or three games without picking up a lot of points we wanted.

"But towards the end of the World Cup qualifiers, we started getting ourselves familiar with how the team is going to play and shape how we are going to build. But I feel like these playoffs are also going to be good for the upcoming Afcon."

I feel like this campaign has not been good for the team, but I'm giving the fans hope

Chippa United goalkeeper and captain Stanley Nwabali is confident the Chilli Boys will bounce back.

XAKA CONDEMNS WAINSTEIN FOR INSULTING FANS

● Association chairman calls for action against promoter's outburst

By **BONGANI MAGASELA**

Chairman of the Gauteng Boxing Promoters Association (GBPA), Sandile Xaka, is hopeful Boxing SA will act against promoter Larry Weinstein, who insulted fans at Booyens Gym on Saturday.

Just before Weinstein could announce the fight of the night, a small section of the fans made a noise and it is unclear what triggered that behaviour.

"Take those boos and shove it in your a**, man," Weinstein said angrily.

"If you don't want to listen, go home, go. I am tired of this sh*t."

Weinstein's international tournament was streamed live by Discover Sport.

"I condemn his behaviour," said Xaka.

"It is very wrong; I believe that BSA will have to look at it; you can't insult people."

BSA's COO, Mandla Ntlangano, who attended the tournament, said: "I missed that part because I rushed out after the main bout."

"Fortunately this is recorded. We will take it from there."

Sowetan is in possession of the recording.

The performance by two Tanzanians – Halid Kalima and Sunday Kiwale – and Zimbabwean Khwezi Chirowa was appalling, to say the least.

Kiwale did not throw even a single decent blow against Sivenathi "The Special One" Nontshinga, who stopped the 35-year-old ring veteran in the second round.

Halid ran but could not hide away from Sikho Ngqothole, who stopped their glorified sparring session in round three, while Chirowa just turned his back against Amos Mphande in round four.

Sabelo "Mkhonto" Cebekhulu and Sinenkosi Mlotshwa gave fans value for their money.

Mlotshwa's corner intervened by throwing in the towel in round four, saving him from what could have been a severe punishment.

Frank "The Tank" Sotomela tamed Trevor "The Lion" Nghonyama in round two, while referee David van Nieuwenhuizen intervened for Aziz Mponda against Jason Medi in round two.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.

- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.

- 3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.

- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.

- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
