*Madam Speaker, this report covers all our activities undertaken since our previous quarterly report presented on the 02<sup>nd</sup> August 2012 to the 08<sup>th</sup> November 2012 as Municipal Council representatives in the Vhembe District Municipality (VDM).*

*Madam Speaker, we have since then held one Council Meeting on the 30<sup>th</sup> August 2012 at 11h00 VDM Council Chamber, where we resolved amongst others that VDM Security Services be in-house rather than outsourcing with effect from September 2012. At the end of each tender there would be security guards employed instead of further extension to bidders. On the Annual Bid Report for 2011/2012 financial year, out of 135 bids advertised, 117 were evaluated, 106 were adjudicated, 86 were awarded and 20 were cancelled.*

*Madam Speaker, on the Expenditure Report for 30 June 2012, the total approved budget for 2011/2012 financial year was R1 081 327 677 and only R1 054 764 681 was collected which is 98% of the budgeted revenue. The total operational and capital expenditure for 30 June 2012 was R1 047 913 849 which is 99% of the total money collected. We have adopted the 2012/13 District IDP Framework and IDP/Budget Process Plan as required in terms of section 27 and 28 of the Municipal Systems Act, Act 32 of 2000 and Section 21(1) of the Municipal Finance Management Act, Act 56 of 2003.*

*Madam Speaker, on Council Committees, we have adopted a new Governance Module, which requires Council to introduce Multiparty Whippery System of Governance wherein each Section 80/Portfolio Committee has a Chairperson and a Whip. Each local Municipality is requested through the office of the Chief Whip to follow suite and also identify one councillor among its representatives in the VDM who will Whip all Councillors representing the Local Municipality in the VDM. We would also like to inform you that Cllr Suzan Sibiya has resigned as VDM PR Councillor with effect from 30<sup>th</sup> August 2012.*

## 7. QUESTIONS OF WHICH NOTICE HAD BEEN GIVEN

The questions recorded under items 7.1, 7.2 and 7.3 were received under the provisions of clause 35 of the Council's Rules and Orders published in Provincial Gazette No. 1391 dated 31 August 2007.

In terms of the said Rules, the Chairperson of the Executive Committee replied to the questions, one after the other, as fully recorded herein below.

### 7.1 QUESTION RECEIVED FROM CLLR M T NDWAMMBI ON 10 OCTOBER 2012

*"The Council at its 77<sup>th</sup> Special council meeting 31-05-2012 have amongst others resolved under item no. A.62.31.05.12 to refer the matter to MPAC for investigation before irregular expenditure (Deviation) is/are condoned by Council (Annexure C).*

1. *Why did the office of the municipal manager refer issues under item mentioned above in part to MPAC for investigation (See Annexure A)?*

**REPLY:** The Office of the Municipal Manager acted in terms of the Resolution of Council which read as follows: A62.31.05.12 "The Council resolved that it be noted that in the case of irregular expenditure (deviations) and the wasteful expenditure of R 980 253,00 for 2011/12 financial year, thorough investigation must be conducted by the Municipal Public Accounts Committee (MPAC) before condonation by Council .

Procedurally the Municipal Manager accounts to the Executive Committee and the Executive Committee accounts to Council, as a result it is the Council that can appoint MPAC. MPAC would then communicate with EXCO and Mayor on such matters.

It is the Executive Committee or Mayor that can instruct the Municipal Manager to respond to any matter, the emphasis it should be that MPAC oversees the work done by the Executive Committee. Executive Committee oversees the work done the Municipal Manager and/or Administration.

2. *Why did MPAC fail to verify information before it whereas they were part of council meeting dated 31-05-2012.*

REPLY: This question will be referred to MPAC for written reply to the Mayor.

3. *Is this how Council get reports from MPAC (see MPAC chairperson's comments on Annexure A)*

REPLY: This question will be referred to MPAC for written reply to the Mayor.

4. *Was the matter dealt with by MPAC Committee members or was the chairperson only? If so, when was that?*

REPLY: This question will be referred to MPAC for written reply to the Mayor.

5. *Paragraph no. 5 was left out for the investigation, why? (refer to Annexure C and D).*

REPLY:

Annexure C. The process to fill vacant posts that were advertised in 2011 was stopped as part of cash flow management. The organogram is bloated and would need serious review.

Annexure D. This question will be referred to MPAC for written reply to the Mayor.

## 7.2 QUESTION RECEIVED FROM CLLR N P BALIBALI ON 10 OCTOBER 2012

*"1. With reference to essential service it was resolved by Council under item A.87.27.10.11 that both Eskom and the Municipality should conduct an investigation in the Sinthmule/Kutama area in order to have on supply authority which will curb or prevent serious injuries to operators of MV and LV electrical system of both suppliers.*

- 1.1 What are the findings of such investigations?*

REPLY: The findings are not yet available.

- 1.2 What is the total cost of Councils Assets that were transferred to Eskom without compensation at the end of 2011/2012 financial year and what are the precautions that are put into place to avoid such mishaps in the future?*

REPLY: The total cost to Council of the assets that will finally be transferred to Eskom amounts to R28,016,011,82 for electrification.

2. *The resolution under item A.90.27.10.11 indicates that it is also the sole responsibility of PR Councillors to identify beneficiaries for RDP units.*

- 2.1 Why are PR Councillors not involved in the execution of such an essential task?*

*Why do Ward Councillors not invite PR councillors whenever they hold community or Ward based meetings?*

REPLY: This is a political question which is difficult to be answered by administration. Let it please be processed politically.

3. *As part of the Action Plan as assessment of inventory items had to be done before the end of 2011 financial year, the purpose being to write off or dispose obsolete, damaged and slow moving inventory.*

- 3.1 Was such as assessment done?*

REPLY: Yes. Stock take was done before the end of financial year and the outcome prepared for submission to Council.

3.2 If YES, what is the possible estimated generated income that the Council can achieve if certain goods are auctioned?

REPLY: It is not possible to calculate as it might need the involvement of specialised different valuers.

4. Are there members of WARD COMMITTEES that have not been paid due to non-attendance of meetings or a failure to submit reports, if YES, how many and how much expenditure has been incurred so far?

REPLY: We are still reconciling figures.

### 7.3 QUESTION RECEIVED FROM CLLR M E MALIMA ON 23 OCTOBER 2012

*“How much have been spent on the following events?”*

1. *2012/13 Budget Speech at Tshedza.*

REPLY: The amount was R211 600,00.

2. *Inauguration of the current Mayor.*

REPLY: The total expenditure amounted to R389 992,40
