“In terms of clause 40 of the Rules and Orders of Council as promulgated under Local Authority Notice 228 dated 31 August 2007 in Provincial Gazette No. 1391 of 31 August 2007 and further In accordance with the provisions of the Local Government Municipal Structures Act, 1998 (Act no. 17 of 1998) and the Local Government Municipal Systems Act, 2000 (Act no. 32 of 2000) That Council adopts the following motion as its resolution –

Building of Public Toilets at Tshikota Community Cemetery

I, Councillor Bessy Nyane Baloyi would like to raise a motion regarding the building of public toilets and the installation of a water tap at Tshikota Cemetery which are situated in Makhado Ward 21. The cemetery has been without public toilets and running water for the past twenty years. And this makes it very difficult for people to handle during the burial process when one has been called by nature. We would like to raise this issue as a matter of great concern since this is affecting the lives of all community members using that cemetery. And that this also put the health and lives of all community members at risk. I hope that this matter will receive the urgent attention of the house in general.

Thank you

SIGNED:

Proposer: Cllr B N Baloyi
