4. SIGNIFICANT VARIANCES ANALYSIS OF REVENUE AND EXPENDITURE PERFORMANCE.

1. Revenue

1.1.1. Property Rates

- The Actual billed for property rate as at 31 January 2019 is R12 480 million and to date is R 43 178 million compared to the projections R 32 617 million which results with 21% positive variance between actual collected and projections. The capturing of valuation roll as at 31 January 2019 was at 100%.

1.1.2. Service charges Electricity revenue

The actual Billed for Electricity revenue as for the month of January 2019 is R 24 657 and to date is R 177 339 million compared to the projections of R 197 833 million which results negative 10% variance due to illegal connection , normal loss of electricity, old or ageing infrastructure, Dogs, Locked gates, Omission and incomplete meter installation. The following activity will be performed to remedy the situation, Meter audits to be performed, Meters to be removed and installed outside the property where there are deliberate lock gates and where access is denied as due to Dogs.

Service charges Refuse removal

The actual billed for Refuse removal revenue for the month January 2019 is R 789 thousand and to date is R 5 458 million compared to the projections of R 6 155 million which results to 11% variance against the projections due to poor collection of refuse revenue . This is due to Non-reconciliation of the refuse removal service and the remedy will to provide the number of household which are being billed for this service on a monthly basis.

1.1.3. Rental

- The actual rental revenue collected for the month of January 2019 is R 42 thousands and to date is R 206 thousands and projected Rental income was R 309 thousands which indicate 33% against the projections.

1.1.4. Interest earned on the external investment

- Interest received on investment for the month of January 2019 is R 3 thousands and at to date is R 15 thousand compared with R 3 274 million projections Makhado municipality did not invest any surplus funds from Month of July to January 2019, this revenue will be adjusted down wards during budget adjustment in February 2019. Investment committee has been appointed by Municipal Manager to start considering how best investment can be done in terms of MFMA ACT.

1.1.5. Interest earned on Consumer Debtors

- The actual billing for interest earned on consumer debtors for the month of January 2019 is R 1 714 million and to date is R 11 398 million compared to the projections of R 8 431 which results to a over collection by 35%. There is an improvement in the collection of interest charged to the consumer. There is a need to adjust Interest earned on Consumer debtors upward based on the six month performance.

1.1.6 Fines, Penalties and forfeits

Fines, penalties and forfeits for the month of January 2019 is R 153 thousand and to date is R 1 032 thousands compared with R 1 160 million projections and we have under collected by 11% as compared with the projections.

1.1.7 Licenses and Permits

- The actual licenses and permits collected for the month of January 2019 is R 480 thousands and to date is R 3 285 million compared with the R 7 720 million projections which results to under collections by 57% due to non-capturing of licenses and Permits from satellite. To remedy the situation all outstanding fees will be processed before the end march 2019.

1.1.8 Agency Services

- The variances of 100% it indicate that nothing was collected in respect to Agency services due to Vhembe district owing the Municipality for the water related services, Makhado municipality incurred expenditure on behalf of the district for water Related services e.g. maintenance and payment of salaries to water staff before actual transferred take place on the 1 July 2018. Vhembe district municipality has never reimbursed Makhado municipality expenditure incurred on its behalf and to remedy the situation Makhado municipality must use intergovernmental forums to engage the district municipality to ensure that agency costs are recovered from the district municipality

1.1.9 Other Revenue

The actual collection for other revenue for the month of January 2019 is R980 thousands and to date is R 7 839 million compared with the projected revenue of R 8 750 million results to under collection by -10% in respect to other revenue .e. g sales of Tenders, building plans etc.

Expenditure

1.1.1. Employee related Cost

The actual expenditure for the month of January 2019 is R 20 967 million and to date is R 147 982 million and compared to the projections of R 152 570 million which results under spending by in -3 % variance due to overtime reductions and Budgeted vacant posts are not yet filled.

1.1.2. Councilors Remuneration

The actual expenditure for the month of January 2019 R 2 733 million and to date is R 15 587 million compared to the projections of R 16 202 million which results in -4% variance.

1.1.3 Debt Impairment

This is non- cash item and expenditure for the month of January 2019 zero compared to the projection of R38 537 million .This is mainly due to the fact that debtors are normally assessed for impairment during interim and annual financial statement preparations. March and June every year.

1.1.4 Depreciation & asset impairment

This is non- cash item and expenditure for the month of January 2019 is zero and to date is zero compared to the projection of R 46 604 million .This is mainly due to the fact that Assets journals for depreciation and impairment are normally prepared or processed during interim and annual financial statement preparations. March and June every year

1.1.5 Finance charges

The actual expenditure for the month of January is R 19 thousands and actual to date is R 45 thousands compared to projected expenditure of R 7 643 million which result to 99% variance. This expenditure is meant to cover finance on employee benefit and other finance lease at the end of financial year as required by standard of GRAP 25.

1.1.6 Contracted Services

The contracted services expenditure for the month of January 2019 is R 267 thousands and to date is R 7 430 million compared to projected expenditure of R 26 776 million which results to variance of 78% .Correct classification will be done between contracted service and general expenditure during budget adjustment in Feb 2019 to differential between both type of expenditure.

Overtime report for the Month of January 2019

DEPARTMENT	AMOUNT
BUDGET AND TREASURY OFFICE	302 093.94
CORPORATE SERVICES	40 033.63
COMMUNITY SERVICES	861 894.51
TECHNICAL SERVICES	1 476 071.90
