4.2 Investments denominated in foreign currencies

MLM may make an investment only if the investment is denominated in Rand and is not indexed to, or affected by, fluctuations in the value of the Rand against any foreign currency.

5. Purpose and Objectives of Investments

5.1 Preservation and safety of investments

The probable safety of the investment must in the first instance be considered when making investments. Preservation of capital is accomplished through placement of funds with creditworthy institutions and through portfolio diversification.

5.2 Investment Diversification

Diversification is required to minimize potential losses on individual securities and to maximise the yield from a blend of financial products.

5.3 Liquidity

The investment portfolio shall remain sufficiently liquid to meet all reasonably anticipated operating requirements.

5.4 Return on investments

The investment portfolio shall be designed with the objective of attaining a maximum rate of return subject to the investment risk constraints and liquidity requirements of MLM.

6. Standards of Care

6.1 Prudence

The Municipal Manager, in accordance with this policy, must exercise due diligence in carrying out the investment function. The MLM has a responsibility to invest public funds with great care and is accountable to the community in this regard. Investments must be made with such judgement and care, under the prevailing circumstances, as a person of prudence, discretion and intelligence would exercise in the management of that person's own affairs. Investments may not be for speculation but must be genuine investments.

6.2 Ethics and Conflicts of Interest

Officials responsible for the investment of funds must steer clear of outside interference, regardless of whether such interference comes from individual Councilors', agents or any other institution. The ethical standards as contained in the Municipal Supply Chain Management Policy are "**mutatis mutandis**" applicable to investment activities. Interest rates offered should never be divulged to another institution.

6.3 Payment of Commission

No commission or other award may be paid to an official or councilor of MLM or to a spouse or close family in respect of any investment made or referred by MLM. If an investee pays any commission or other reward to an external investment manager appointed by the MLM in respect of any investment made by MLM, both the investee and the investment manager must declare such payment to the council by way of a certificate disclosing full details of the payment.

7. Delegation of Authority

Authority to manage MLM's investment portfolio is delegated as follows:

The Municipal manager to invest any amount (after taking due cognizance of the liquidity requirements of MLM) of the short-term funds in terms of the provisions of the investment policy

The Bid Adjudication Committee or Municipal Manager to approve the investment of long-term funds in terms of the provisions of the Investment Policy and Municipal Supply Chain Management Regulations in accordance with the process as stipulated in the Supply Chain Management Policy.

8. Rating of Financial Institutions

MLM shall rely on the credit analysis of the financial institutions as obtained from external Credit Rating Agencies. The Municipal Manager shall be made aware of real or potential problems related to credit or credit rating issues and their impact on the investment portfolio by the recognized Credit Rating Agencies, as this information becomes available.

9. Authorized Investments

All investments must be in the name of Makhado Local Municipality.

10. Investment Limitations

10.1 Short-term investments

In order to obtain the greatest security for MLM's funds, short-term investments are not to be made with financial institutions with ratings lower than A1 / F1 as defined in the National Rating Definitions.

11. Investment Managers

Investment or Asset Fund Managers may be appointed to assist with the placing of investments, or to manage a portion of the investment portfolio in order to maximize interest earned without jeopardising liquidity. The appointment of these service providers must be done in accordance with the Supply Chain Management Policy. The conditions for their use including their liability in the event of non-compliance with this policy must be included in the bidding documentation specifying mandates that minimize risk and place the institutions on equal footing.

12. The Process of Investment of Funds

The process of investment of funds must be made primarily with regard to the safety of the investment and secondly with regard to the liquidity needs of MLM and lastly to the probable income derived from the investment. The investment of funds must be dealt with in accordance with the procedure for the calling of quotations and competitive bids as detailed in the Supply Chain Management Policy.

13. Safekeeping and Custody

The Chief Financial Officer shall establish and maintain an internal control structure designed to ensure the assets of the Municipality are protected from loss, theft, or misuse. The controls will be to prevent losses of public funds from fraud, employee errors, misrepresentation by third parties, or imprudent actions by employees and officers of MLM. The controls will include, among others:

- Control of collusion
- Separation of functions
- Separation of transaction authority from accounting and record-keeping
- Custodial safekeeping
- Clear delegation of authority to subordinate staff members
- Specific limitations regarding security losses and remedial action
- Supervisory control of employee actions
- Minimizing the number of authorized investment officials
- Effective data management and reporting system for investment activities
- Documentation of transactions and strategies.

14. Reporting

The Municipal Manager must, within 10 working days after the end of each month, submit to the Mayor a report describing, in accordance with generally recognized accounting practice, the investment portfolio as at the end of the month. The above-mentioned report must set out the following:

- the market value of each investment as at the beginning of the reporting period;
- any changes to the investment portfolio during the reporting period;
- the market value of each investment as at the end of the reporting period; and
- fully accrued interest or yield for the reporting period.

A bank, insurance company or other Investment / Fund Managers, which at the end of a financial year holds, or at any time during a financial year held, an investment for MLM, must:

- within 30 days after the end of that financial year notify the Auditor General, in writing, of that investment, including the opening and closing balances of that investment in that financial year and;
- promptly disclose information regarding the investment when so requested by the National Treasury or the Auditor-General.

15. Policy Review

This policy will be reviewed annually by the Budget and Treasury Officer to ensure congruence with changing needs, technology, evolving regulatory standards with the MFMA, Investment regulations, and private sector best practices.

16. EFFECTIVE DATE

The policy shall become effective from 1 July 2026.
